London School of International Business (LSIB) is a decade old institution offering a wide range of Degree and Diploma Courses delivered 100% online. We are proud of our global community of over 10,000 successful alumni.

WHAT'S INSIDE

## 12 month (Fast track) MBA      18 month (Semi fast track) MBA

The programme is not just an academic course. By exploring and examining real-life business problems to work on and solve, you enhance your own understanding of how a business works. We take a strategic perspective on business and management that helps you develop the skills to contribute to the major business decisions organisations have to make about their future.

Who is this program for?

- Successful managers, executives and professionals who want to take their career to a new level
- Ambitious people who want to fast track their chosen career or start a new enterprise

Job and career prospects

This programme offers wide range of career paths. Here are just a few:

- Business leader
- Senior government leader
- Not-for-profit manager
- Entrepreneur
- Venture capitalist
- Consultant
- Executive roles in accounting, finance, marketing, sales and communications, amongst others

Your future begins today!  
Study whenever, from anywhere - at your own pace.  
There are no strict deadlines. Request for extension in case of delay.

Build the future you want.

# MBA

London School of International Business

*Right since the beginning, I have been a very hard working student. But my performance has never been upto the mark. I always wanted to enroll into a programme which would enable me to get the education which is directly connected to the requirements of the Job market. I was really disappointed with the type of education options which I was getting around.*

Larisa
